Egerton Village Hall Website – Cookies Policy

This website uses cookies to help it work properly and to improve your experience.

What are cookies?

Cookies are small text files that are stored on your device when you visit a website. They help websites remember information about your visit.

How we use cookies

We use only the cookies that are necessary for the operation of this website. These may include cookies that:

- keep the website secure;
- remember your cookie preferences; and
- help the website function correctly.

We use website analytics (such as Google Analytics) and these cookies help us understand how visitors use the website so that we can improve it. They do not identify you personally.

Managing cookies

Most web browsers allow you to control or delete cookies through your browser settings. Please note that disabling essential cookies may affect how the website works.
